

FOR IMMEDIATE RELEASE

Ramp from Sample Road to northbound SR 37 to open Saturday

Temporary access point off of Wayport Road will close

BLOOMINGTON, Ind. (July 12, 2018) – The ramp from Sample Road to northbound SR 37 is scheduled to open at or before noon on Saturday, July 14. The temporary northbound access point near Fox Hollow Road will close when the ramp opens.

There will be an approximately 1,000 foot merge lane onto the highway. The entry to SR 37 will be in a yielded condition, and motorists are reminded to approach the merge point with caution and only proceed onto northbound SR 37 if the way is clear.

While the Sample Road interchange will be completely functional, there will still be work crews in the area. Motorists are urged to drive with caution and be aware of ongoing construction.

All construction activity is weather dependent and the schedule is subject to change.
